To Our Valued Customers,

Due to a change of ownership in suppliers, WBC Industries, Inc. has been forced to source an alternative to the Glue Pot (item # GP-PL). The new supplier has been unable to produce new inventory and our stock levels have depleted as of January of 2022. WBC Industries, Inc. has worked diligently to locate a comparable temporary replacement. We do hope that the supplier can produce the original glue pot within the coming weeks but unfortunately, this situation is out of our control. As always, we appreciate your patience and understanding. For additional information, questions, or concerns, please reach out to us via phone, email, or live chat!

Thank you,  
The WBC Industries Team
